

The first playground build took 400 COOKS,
making food for 5,000 VOLUNTEERS.
Now we're doing it again!

Help Feed A Playground!

What's happening?

It's time to rebuild! Mark your calendars for May 5-10, 2009! The demolition of the fire-damaged part of the playground is complete and the site will be ready for an army of volunteers in May. We are going to cook for them!

So make some meals! Join your friends and neighbors!

We need donated meals for the volunteers who will build the playground. Can you make a meal? We need hot dishes in disposable pans delivered to the playground construction site. If we work together, and 10 people each make 10 servings, we will have 100 meals! We will suggest what to cook - easy, hearty meals such as lasagna, chili, baked ziti etc. - and we'll provide the recipes if you like. If you can't cook for us we hope you will consider volunteering for the build or making a donation.

Sign up to feed some hardworking volunteers!

Contact Joan Stanne at 410-440-2642 or stannejoan@yahoo.com.

Are you wondering about our funding?

While the playground was insured, there will be expenses. Baltimore Community Foundation is accepting tax-deductible contributions at www.bcf.org/playground Checks can be made payable to BCF (write "Rebuild Our Playground Fund" in the memo line) and mailed to:

Rebuild Our Playground Fund
